1. Press the  
“Document  
View” button

2. “Thumbnail  
View” to see all  
the pages at once  
to easily select a  
specific page

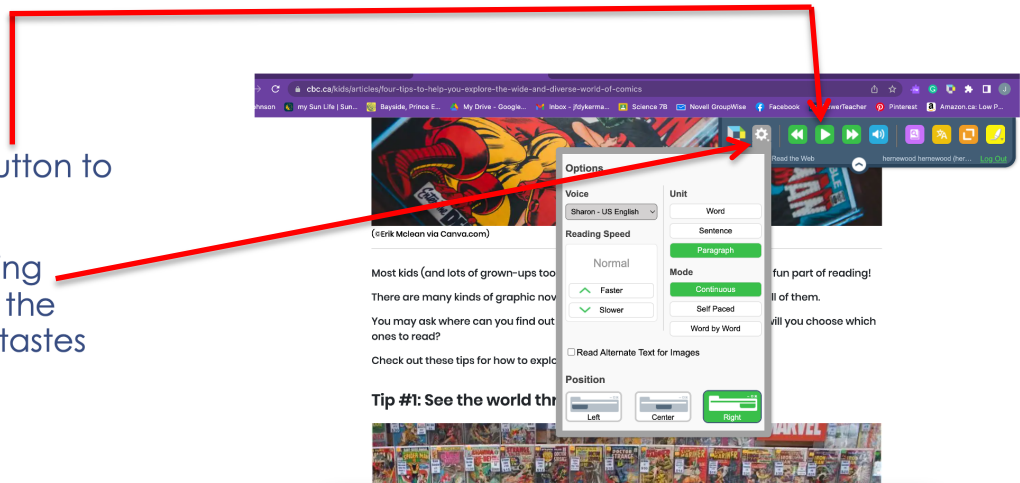

# NEW! Kurzweil “Read the Web”

Read the Web is a Chrome Extension that allows you to read aloud web content. It works in Google Docs, Slides, Sheets and Forms as well.

1. Go to the Chrome Web Store, search for it, and add it to Chrome
2. Click on the icon to make the tool bar appear
3. Login with the regular Kurzweil username and password

5. Press the play button to begin reading
6. Choose the setting button to adjust the reading to your tastes

## \*Tip\*

Listen to your writing in Google Docs before you press submit. You will catch more mistakes than reading it in your head!
